

QUICK GUIDE

Connecting your PTT Voice Responder to MODULO (iOS) (EN)

A

Pairing your PTT Voice Responder with your iPhone via Bluetooth

1. Turn on your PTT Voice Responder by holding down the Power button for more than 3 seconds. After it is on, a blinking green light will indicate that the device is ready for pairing.
2. Turn on your iPhone's Bluetooth by going to: Settings → Bluetooth → Turn on.
3. Pair your PTT Voice Responder to your iPhone by selecting it from the Devices list. To know which device to select from the list, check the unique friendly name on the back of your Voice Responder. Once it has successfully paired, a blue light will begin blinking on your device.

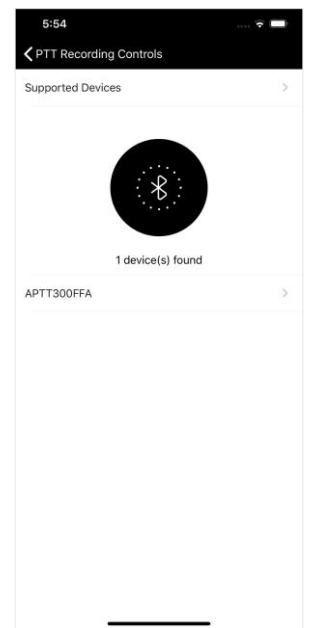

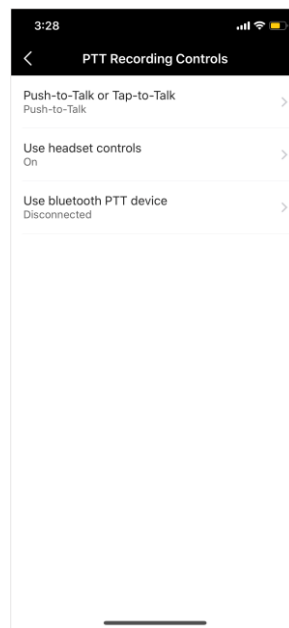

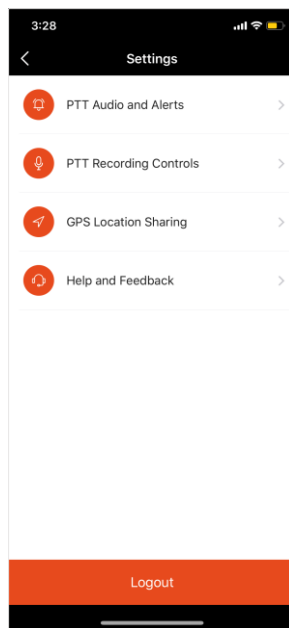

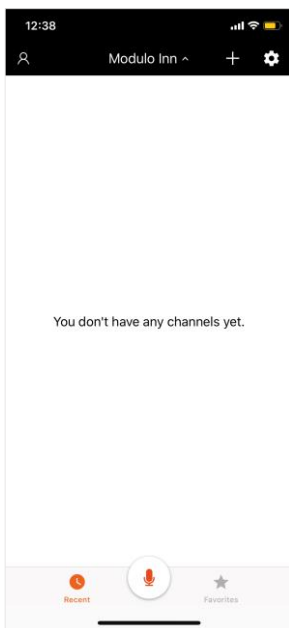

NOTE: The Voice Responder can only be paired with one device at a time. If you want to pair it to another device you need to perform an **Unpairing/ Software reset** by pressing and holding both arrow buttons and both PTT buttons simultaneously, until the LED turns off.

B

Connecting your PTT Voice Responder to MODULO

1. In the MODULO app, tap the Gear icon in the top right corner of the Channels List (home) screen.
2. Select PTT Recording Controls.
3. Select Use Bluetooth PTT device.
4. Your phone will search for Bluetooth devices. When you see the PTT Voice Responder, tap it to connect.
