BUILT TO LAST

The PTT Voice Responder design focuses on the user's needs and safety. The device is extremely durable and reliable with MIL-STD 810G and CE, FCC and IC certification. It can withstand the harshest environmental conditions.

HIGH QUALITY AUDIO

Whether you work in a noisy, loud or windy environment, the PTT Voice Responder features crisp and clear audio quality. The device includes Audio DSP for noise, wind and static reduction and echo cancellation.

HIGHLY COMPATIBLE

The PTT Voice Responder is compatible with Android and iOS smartphones and tablets. Users can pair their device with AINA's own, simple and intuitive push-to-talk application, AINA Small Talk, or other partner PTT apps.
